The Eden Philosophy teaches us that there are 7 domains that create our well-being. They are Identity, Connectedness, Security, Autonomy, Meaning, Growth, and Joy. What is the domain of **JOY**? Joy is about happiness, enjoyment, pleasure, and contentment. Joy is what we all want out of life. Joy happens when we figure out and focus on what it is in life that brings us joy. **For reflection:** 'What brings you joy?' 'What are your simple pleasures? – those little day-to-day things that just make your day better.' <http://www.edenalt.org/>

Funding full, abundant life at Central Haven

Renewing joy! is Central Haven's campaign to **renew our home** in support of well-being, abundant life and our residents' **joy**. It's big, ambitious and essential. It also needs *many* people to make it happen. Please consider a gift to help us complete the projects that are underway. Donation cards are at the front entry or visit us online at www.sherbrookefoundation.ca.

Thank you!
