***Creates a community that supports  
each person to live a full and abundant life.***

March 20, 2020

Dear Residents and Families:

We currently have no cases of COVID-19 at Central Haven.

We continue to ask that you not visit at this time unless your loved one is palliative.

We are taking proactive and responsible steps to keep our Elders safe. Our province is now in a state of emergency and we need to be even more careful than those who live in the wider community because our Elders are at a higher risk.

Central Haven continues to follow the direction of the Ministry of Health and the Chief Medical Officer. We have followed all travel restrictions and the appropriate screening of staff. There is no one in Central Haven who has not been properly screened.

We are in this for the long haul and the next two weeks will be critical. The health and well-being of our Elders is our top priority, and we thank you for your support during this challenging time. We will continue to send you updates as soon as information becomes available. We will continue to offer opportunities to connect with your loved one through Skype, Facebook video, WhatsApp and FaceTime at this time. Please check our website and Facebook pages for the latest information.

Sincerely,

A handwritten signature in cursive script that reads "Suellen Beatty".

Suellen Beatty
