***Creates a community that supports
each person to live a full and abundant life.***

March 18, 2020

Dear Families and Residents:

We do not have any cases of COVID-19 at Central Haven.

As per the Chief Medical Health Officer, we continue to ask you not to visit at this time unless your loved one is palliative.

We know this is a challenging time to be apart from your loved one. Please know that if there is any change in your loved one's health, our nurses will immediately contact you. We ask at this time to only contact our nurses in cases of emergency as they are being swamped with calls.

In an effort to make it easier for you to contact your loved ones we want to give you the opportunity to connect through technology.

We are setting a time limit of 20 minutes per call so that all of our Elders have a chance to speak with their family and friends.

Please call Michelle at 306-844-4040 to arrange a Facetime meeting with your loved one.

Thank you for your continued support and co-operation. We will continue to send you updates as soon as information becomes available. Please check the Central Haven Facebook page and the Sherbrooke web page at www.sherbrookecommunitycentre.ca for daily updates.

Sincerely,

A handwritten signature in black ink that reads "Suellen Beatty".

Suellen Beatty
