Visitor Contract Central Haven (August 13, 2020) ***Compassionate, Supportive Care, Indoor***

I, as a designated Visitor, agree to the following:

- Visiting arrangements must be made in advance to by emailing CentralHavenVisits@saskhealthauthority.ca (**preferred**) or contact the Community Clerk at (306) 844-4030 to book an appointment.
 - Supportive Care/Indoor Visits - Two healthy individuals can be designated for each resident; with one family/support person present at a time.
 - Compassionate Care Visits - More than two family member/support people can be designated for end of life/palliative care. Two family members can be present at the same time for end of life/palliative care.
- Screening will occur when you arrive. A Visitor Screening Questionnaire must be completed each day. You must not enter Central Haven if you are ill.
- You will be required to have your temperature checked on arrival and when leaving the home.
- Hand hygiene must be done when entering and leaving the home and when entering and leaving the resident's room.
- A medical grade mask will be provided on arrival as well as instruction on proper use of the mask. The mask must be worn at all times.
- Visits will occur in the elder's room.
- Contact with staff and others will be minimized during the visit.
- Visitors will be required to go directly to and from the resident's room. Access to the common areas such as outdoor resident areas, dining room or other spaces is not permitted.

- There will be no access to the dining area or washrooms (including the washroom in the resident's room).
- Visitors are permitted to bring in food and beverages ONLY for the person they are visiting (see Personal Items and Gifts guidelines). As I am required to wear my mask during the entire time I am at Central Haven, I will not eat and/or drink during the time I am with my family member.
- Delivery of items to other residents is not permitted.
- No pets permitted.
- Designated Visitors are reminded of the following existing public health orders and avoiding trips into community.
 - Only be in the greater community when necessary
 - Wear a mask when in public spaces and when physical distancing cannot be maintained
 - Perform frequent hand hygiene, especially when returning home and when using the bathroom
 - Keep your contacts to close family members
 - Report any symptoms to the 811 Healthline for follow up testing

Violation of the above-mentioned requirements will lead to discontinuation of the Visitation arrangements. Please Initial _____
