Visitor Contract (August 13, 2020) ***Compassionate, Supportive Care, Indoor***

I, as a designated Visitor, agree to the following:

- Visiting arrangements must be made in advance by contacting the Neighbourhood Manager to discuss my family member's needs.
 - Supportive Care/Indoor Visits - Two healthy individuals can be designated for each resident; with one family/support person present at a time.
 - Compassionate Care Visits - More than two family member/support people can be designated for end of life/palliative care. Two family members can be present at the same time for end of life/palliative care.
- Screening will occur when you arrive. A Visitor Screening Questionnaire must be completed on your first visit and you will be asked the questions on your repeat visits. You must not enter Sherbrooke if you are ill.
- You will be required to have your temperature checked on arrival and when leaving the home.
- Hand hygiene must be done when entering and leaving the home and when entering and leaving the resident's room.
- A medical grade mask will be provided on arrival as well as instruction on proper use of the mask. **The mask must be worn at all times.**
- Visits will occur in my family member's room.
- Contact with staff and others will be minimized during the visit.
- Visitors will be required to go directly to and from the resident's room. Access to the common areas such as outdoor resident areas and house/neighbourhood kitchens, living and dining rooms or other spaces is not permitted.
- There will be no access to the cafeteria or washrooms (including the washroom in the resident's room).

- Visitors are permitted to bring in food and beverages ONLY for the person they are visiting (see Personal Items and Gifts guidelines). As I am required to wear my mask during the entire time I am at Sherbrooke, I will not eat and/or drink during the time I am with my family member.
- Delivery of tobacco and/or vaping materials is not permitted.
- Delivery of items to other residents is not permitted.
- No pets permitted.
- Designated Visitors are reminded of the following existing public health orders and avoiding trips into community.
 - Only be in the greater community when necessary
 - Wear a mask when in public spaces and when physical distancing cannot be maintained
 - Perform frequent hand hygiene, especially when returning home and when using the bathroom
 - Keep your contacts to close family members
 - Report any symptoms to the 811 Healthline for follow up testing

Violation of the above-mentioned requirements will lead to discontinuation of the Visitation arrangements. Please Initial _____
