Dear Elders and Families,

I am thrilled to share with you the news that the “suspect” Covid-19 outbreak at Central Haven is officially declared over. This means our previous guidelines for indoor and outdoor visitor are once again in place, and our community is excited to welcome back families and visitors.

I want to thank our residents, staff and managers for working together and showing great dedication in preventing the spread of the virus. It required a lot of sacrifice to end this “suspect” Covid-19 outbreak and we are grateful for your hard work and commitment.

Thank you to Public Health officials and the Saskatchewan Health Authority for their guidance and support throughout this “suspect” Covid-19 outbreak.

Our community thanks you for your continued support and prayers throughout the past two weeks. This experience has reinforced how resilient our community is when faced with challenging circumstances.

Sincerely,

A handwritten signature in cursive script that reads "Roberta Gallagher".
