Creates a community that supports each person to live a full and abundant life.

November 29, 2021

Dear Residents and Families,

We are excited to welcome you back to Central Haven as we enter the holiday season. The new Saskatchewan Health Authority visitor guidelines for long term care homes in Saskatoon are making it possible for residents to have more visitors and we know this will bring a lot of joy to their lives.

With Christmas a month away, there may be some questions about joining a resident for a meal or booking a space at Central Haven for a Christmas gathering. Unfortunately, we are not able to accommodate any requests this year. SHA guidelines do not permit the sharing of food or drink in any long term care facility this holiday season. We also must ensure proper physical distancing is taking place in our community, which is challenging at Central Haven right now due to our lack of common space for social events.

However, residents are free to leave Central Haven to attend social functions like Christmas meal at a restaurant. Proof of vaccination documents are available from the front door screener or the nurse for any residents needing a proof of vaccination when going out in the community. Our care staff is always eager to work with residents and families to help make these functions happen.

In our recent letter sent out to residents and family, there was an error regarding our visiting hours. Please note the current visiting hours are: Daily 10:15 am – 4 pm.

A reminder there are currently no limits on the number of essential family/support persons or visitors for residents at Central Haven. We are required to continue to follow distancing guidelines and ask that visits happen in the resident's room. All visitors must show proof of full vaccination to enter Central Haven. For those who choose not to show proof of vaccination to our front door screener, a negative PCR or rapid antigen test performed in the past 72 hours by an approved provider must be shown.

Thank you for your continued support and understanding as we continue preparing for Christmas in our community. Please feel free to contact a manager if you have any questions and don't forget to check our website and Facebook page for the latest information from Central Haven.

Sincerely,

A handwritten signature in cursive script that reads "Roberta Gallagher".
