Creates a community that supports each person to live a full and abundant life.

January 10, 2022

Dear Residents and Families,

We wanted to provide you with an update on the outbreak situation at Central Haven. After speaking with Public Health officials today, the Medical Health Officer is keeping our community in a confirmed Covid-19 outbreak.

However, Central Haven is now at Level 1 Restrictions as of Wednesday, January 12th. This means the following:

- Two essential family/support persons can be designated for each resident. **One** visitor at a time is allowed for indoor visits.
- For end-of-life care, more than two essential family/support persons can be designated and two can be present at the same time.

We will be setting up a Point of Care Testing station at Central Haven starting Wednesday, January 12th. All essential family/support persons will be required to take a Point of Care Test (provided) at Central Haven before going to see a resident.

All essential family/support persons or visitors must show proof of full vaccination to enter Central Haven. For those who choose not to show proof of vaccination to our front door screener, a negative PCR or rapid antigen test performed in the past 72 hours by an approved provider must be shown.

Please note that the Point of Care Test doesn't replace the requirement for proof of vaccination or a negative PCR or rapid antigen test for essential family/support persons or visitors who choose not to show proof of vaccination.

Visiting hours are from 9 am-11:30 am and 1pm -5 pm daily. A mask and face shield will be provided and must be worn by all visitors upon entering Central Haven. Visiting must occur in the resident's room.

Our managers continue to work closely with the Saskatchewan Health Authority and Public Health officials to ensure all necessary precautions are in place to protect the health of all residents and staff.

We will be updating our website and Facebook page with the latest information.

Thank you for your support and understanding as our community works together to keep residents and staff safe.

Sincerely,

A handwritten signature in cursive script that reads "Roberta Gallagher". The ink is dark and the handwriting is fluid and legible.
